The Bill Paying Process –

Single Payments – A single payment will be processed on the business day that you designate as the payment’s processing date, provided the payment is submitted prior to the daily cut-off time on that date. The daily cut-off time is currently 1:00 PM Mountain Time. A single payment submitted after the cut-off time on the designated process date will be processed on the next business day. If you designate a non-business date (generally weekends and certain holidays) as the payment’s processing date, the payment will be processed on the first business day following the designated processing date.

Recurring Payments – When a recurring payment is processed, it is automatically rescheduled by the system. Based upon your selected frequency settings for the payment, a processing date is calculated for the next occurrence of the payment. If the calculated processing date is a non-business date (generally weekends and certain holidays), it is adjusted based upon the following rules:

- If the recurring payment’s “**Pay Before**” option is selected, the processing date for the new occurrence of the payment is adjusted to the first business date prior to the calculated processing date.
- If the recurring payment’s “**Pay After**” option is selected the processing date for the new occurrence of the payment is adjusted to the first business date after the calculated processing date.
- **Note** – If your frequency settings for the recurring payment specify the 29th, 30th, or 31st as a particular day of the month for processing and that day does not exist in the month of the calculated processing date, then the last calendar day of that month is used as the calculated processing date.

The system will calculate the Estimated Arrival Date of your payment. This is only an estimate, so please allow ample time for your payments to reach your “Payees”.

Canceling a Payment – You may change or cancel a bill payment any time prior to the cut-off time on the scheduled processing date. The daily cut-off time is currently 1:00 PM Mountain Time.

Available Funds – You agree to have available and collected funds on deposit in the account that you designate in amounts sufficient to pay all bill payments requested. FIRST PIONEER NATIONAL BANK reserves the right, with liability, to reject or reverse a bill payment if you fail to comply with the above requirements or any other terms of this Agreement. If you do not have sufficient funds in the account and FIRST PIONEER NATIONAL BANK has not exercised its right to reverse or reject a bill payment, you agree to pay for such bill payment obligations on demand.

Processing Times – Processing occurs twice daily – at 6:00 AM Mountain Time, and at 1:00 PM Mountain Time. Payments will be processed on the date scheduled at the earliest possible processing time. If the payment was scheduled with today’s date and the last processing time has passed, the payment will be processed at the next possible processing time. For example:

- A payment scheduled with today’s date and entered at 12:00 PM Mountain Time will process today at 1:00 PM Mountain Time.
- A payment scheduled with today’s date and entered at 3:00 PM Mountain Time will process overnight at 6:00 AM Mountain Time.
- A payment scheduled with a future date, regardless of time entered, will process at 6:00 AM Mountain Time on the scheduled processing date.

Stop Payments – Once a bill payment has been debited from your Account, you cannot cancel or stop a bill payment which has been paid electronically. You may be able to stop a bill payment paid by paper check by contacting us by telephone before the paper check has cleared (you can contact us by telephone or check your account online to determine if the check has cleared). Retention and Security of Original Checks – Upon your receipt of a confirmation from the Bank that the Bank has received an image that you have transmitted, you agree to retain the check in safekeeping in a secure environment for at least fourteen (14) calendar days from the date of the image transmission. After fourteen (14) days, you agree to destroy the check that you transmitted as an image, mark it “VOID” or otherwise render it incapable of further transmission, deposit, or presentment. Image quality is reviewed by the Bank after submission; however, if the receiving bank does not accept the image, you may be required to present the original check for payment. During the time the retained check is available, you agree to promptly provide it to the Bank upon request. The Bank assumes no liability for losses you may incur if the receiving bank does not accept your image and you are unable or unwilling to present the original check for payment.
